Quick Guide for Australian Students

Your pathway to Deakin University

Deakin College programs can provide an entry point into the first or second year of your bachelor's degree.

Deakin College Campuses

Located on Deakin Uni campuses

Study on a Deakin University campus where you will have full access to accommodation, support services and university facilities. You can also choose to study part or all of your course online with our highly engaged community of online students[#].

Supportive learning environment

You will have access to health services and free study support, as well as online resources to assist with study and writing skills, assignment preparation and examination techniques – all designed to help you transition smoothly to Deakin University degrees.

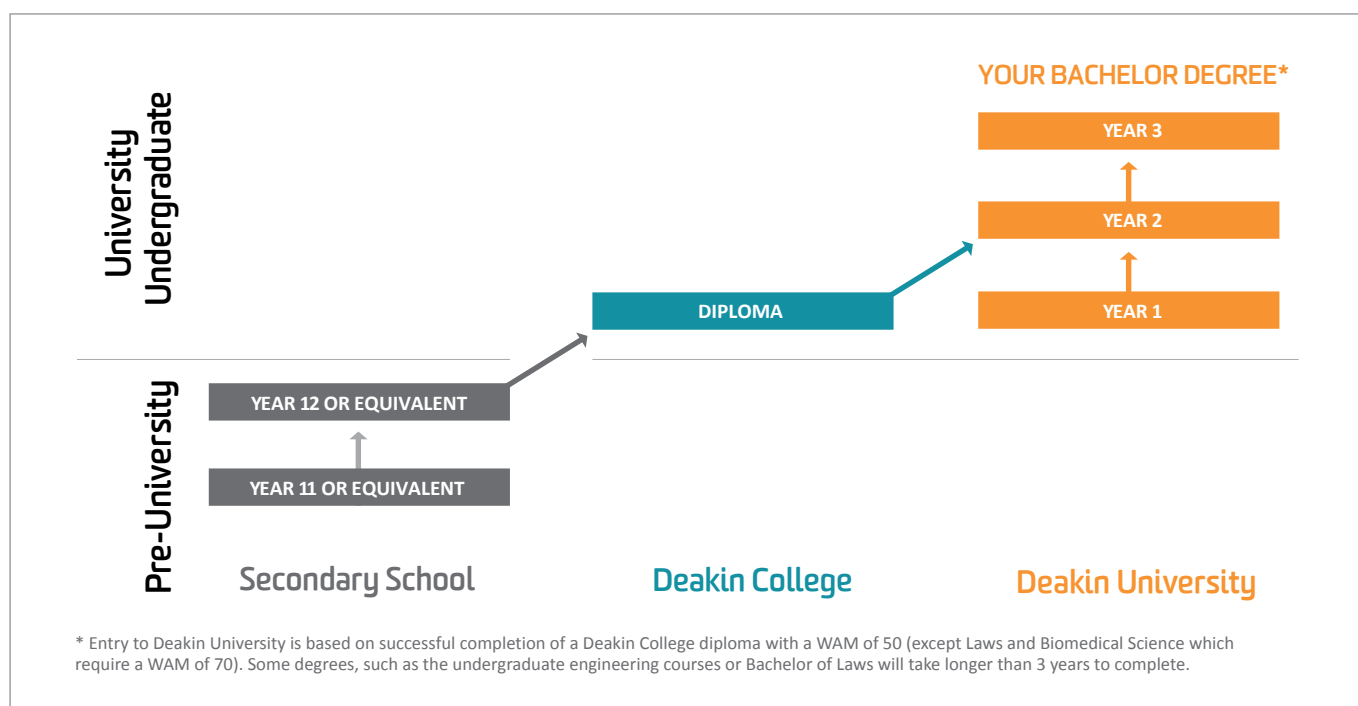

Fast-track options

Deakin College diploma courses offer a fast-track option, allowing you to complete a program in just eight months. This makes it possible to enter university much earlier than students studying in a conventional pathway program.

Small class and tutorial groups

Small class sizes are one of the benefits of studying at Deakin College. With a maximum of 30 students per class, complemented by small group tutorials and workshops, you will receive intensive academic contact and support.

[#] Some diplomas require on-campus attendance.
